Light up the after-burners
of your imagination

CF-105 Arrow Incorporated

There may be only a few things in life than can capture your attention and imagination.

The legendary Avro Arrow, has been locked up in the secret vaults of time, hidden in a corner of your mind, and deep in your heart, you can envision in trust.

It is time to turn the key, to open your mind, to listen to the beat of your heart, it is the moment of truth, when you know for sure, what is right for you and Canada.

The Avro Arrow Renaissance is something for your heart and soul.

*Remember, We can build great things together if we set our minds to it and put our heart in it.
The national dream is like pure exhilaration, 100,000 feet per minute straight up!
This is the time to wake up and feel alive!*
